The graph illustrates the projected growth of the workforce over time. The x-axis represents years from 1960 to 2046, and the y-axis represents the number of people in the workforce in millions. The line shows a consistent upward trend, starting at about 40 million in 1960 and reaching over 100 million by 2046. The line is labeled with 'N' and 'E' at various points, indicating specific data points or projections.
